

FLIGHT FROM SODOM AND GOMORRAH

GENESIS 19:17

*Then one of the angels said,
"Run for your lives! Don't
look back and don't stop in
the valley."*

There's not a whole lot I can add to the Bible verse quoted above. It said, "run for your lives, don't look back and don't stop."

The panic and fright they must have experienced is what I tried to show in their faces.
