

Extend the Reach and Impact of Your Program with Matching Key Tags.

Your colleagues and customers will share in the excitement of your awards program or simply enjoy a useful and artistic memento of your organization.

Various packaging methods are available for key tag presentation, including flocked gift boxes, handy plastic boxes or simple poly bags. Ask your Recognition Consultant!

A beautifully struck medal key tag will quickly replace the old key ring in your customer, colleague or employee's pocket or purse. Finishes are available in a wide variety to match or complement your medal. Of course a medal program isn't a requirement; key tags of this quality can stand on their own as an appreciated promotional item.

Recognition that Expands Beyond the Award Recipient

Carefully Crafted With The Same Exact Detail as Your Medal.

Treasured Art from the Mint that is represented in the Collections of the World's Great Museums...Right in Your Pocket!
